Required fields shown in red. Failure to complete will delay processing of your membership

**MEMBERSHIP COMMITMENT: YES!** I want to join my fellow employees and become a member of the local association, the Federal Education Association, and the National Education Association. I hereby request and voluntarily accept membership in these associations, and agree to abide by the Constitution and Bylaws of all three associations.

ANNUAL PAYMENT AUTHORIZATION: YES! I hereby agree to pay the annual (Sep. 1 – Aug. 31) dues, fees, and assessments established by the three associations in consideration for the services the union provides. I understand that those annual amounts are subject to periodic change by the governing bodies of the associations. I authorize on a continuing basis, and regardless of my membership status, the payment of those annual amounts established by the three associations through the payment method I designate on this form or other available method I select in the future unless I revoke this authorization in a signed writing sent to my local Association via U.S. mail between August 1 and August 31 of the membership year immediately preceding the membership year for which the authorization is to be cancelled.

## I UNDERSTAND THAT THIS AGREEMENT IS VOLUNTARY AND IS NOT A CONDITION OF EMPLOYMENT AND THAT I HAVE THE LEGAL RIGHT TO REFUSE TO SIGN THIS AGREEMENT WITHOUT SUFFERING ANY REPRISAL.

\*I authorize the Federal Education Association (FEA) or its designated local, as indicated by my Payment Method selection above, to initiate or continue per my previous authorization payroll deductions, EFT or Credit Card payments for annual membership dues, fees and assessments required for membership in the associations. I further authorize those payments to be made through the initial membership year ending August 31, 2024, and on a recurring basis thereafter, payable in bi-weekly installments on the schedule set by my FEA Area (currently, 15 installments for Stateside [including Guam] and 10 installments for Pacific and Europe [including Cuba]), or in Full, as indicated by my Payment Method selection, above. I understand that the final installment amount for the membership year will include any residual amount owed. The residual amount represents the portion of the combined total that cannot be evenly distributed among the installments.

I understand that in the event one or more of the governing bodies of NEA or its affiliates authorizes a change in the amount of annual dues, fees and/or assessment, FEA or my local will notify me not less than (10) days in advance of processing any changes to the transaction amount charged or debited to me or collected via payroll deduction. Following that notice, I authorize the FEA or local to adjust the amount to be charged to or debited from my account or collected from me via payroll deductions to satisfy any modification by adjusting my payments equally over the payment schedule.

I understand that this authorization for the payment of membership dues, fees and assessments continues year-to-year and shall remain in effect until the earlier of: 1) the termination of my eligibility to maintain membership in the Association; or 2) my written notice to terminate this authorization, which must be sent via mail to my local Association and include my name, address and membership number. I understand that the rejection of any electronic funds transaction shall not constitute the termination of my membership in the NEA. I further understand that FEA or the local will notify me in writing or via e-mail if a transaction is rejected and I shall have seven (7) calendar days to provide updated account information or an accepted alternative method of payment, to continue my payments for annual dues, fees, and assessments.
