

RE-ELECT
DIANE

GIBBS
FEA-SR DIRECTOR

STEADY LEADERSHIP DURING TURBULENT TIMES

✓ EXPERIENCED LEADERSHIP
FEA-SR has been a powerful unit in the struggle against the overwhelming expectations of DoDEA management and its relentless attack against its workforce. A vote for my reelection acknowledges and demonstrates your belief that FEA-SR will continue to defend your rights and work to improve your working conditions. As your regional leader, I am dedicated to make things better for educators, staff, and students in the Americas and Guam. An individual victory is a collective victory for all members. I am proud to stand up for you because of the tireless work you perform every day for our military connected students and their families.
